A CLASSIC REDEFINED!

Celebrated as 'Best New Powerboat' on making its US debut, the PB50 is a contemporary classic - sweeping lines above the surface hiding a unique hull form beneath.

The semi displacement, monocoque design combined with an unusually low centre of gravity ensures comfort and stability that is the envy of every yacht in this class.

LENGTH
17.18 m / 56'4"

BEAM
4.48 m / 14'8"

CRUISE SPEED
21 knots

CRUISING RANGE
391 nm

Designed for those who love to entertain while enjoying the great outdoors, the PB50 has the option of an aft galley that means you're never far from the centre of the action.

The single level layout can be extended with a long canvas fixed awning that creates a huge space for guests to mingle and relax with the optional flybridge adding further seating above.
